

Board Chairman, Bernard M. Fauber, left, is congratulated on his 40 years of service by President, Samuel G. Leftwich. When asked would he do anything different with his K mart career if he had a chance to do it over again, Mr. Fauber replied, "I wouldn't change a thing except I wish I had started earlier."

Paul Vercammen, manager corporate income tax division, has 15 years with the company. What was the highlight of his career? "To be able to define what the highlight of my 15 years here would be hard. The highlight is just working here."

Art tour and benefit a success

"This event really offered an opportunity for the people in the community to see what a world class organization K mart Corporation really is. The PR for this company and its people was excellent."

Those were comments from Mrs. Bernard M. Fauber, President of the Women's Association on the Art Tour and Benefit gathering held recently at KIH for the Boys and Girls Club of Metropolitan Detroit.

Mrs. Fauber specifically noted General Manager H. C. House's unshakable composure in overseeing such an event. "We couldn't have put on such a smooth-going operation without him," says Mrs. Fauber. "He was unflappable."

The Boys and Girls Club wanted to thank Mr. House for his hospitality. Two weeks ago Mrs. Fauber, Mrs. Paul W. Czamanske, Art Tour Coordinator, and Mrs. Walter R. Naas, Vice President of the Women's Association awarded him a plaque in commemoration of his professionalism.

Mrs. Fauber was pleased to report that over 300 tickets were sold for this event, which involved a Mini Art Tour of the building. The proceeds will go towards the Boys and Girls Club.

The Club offers a place where kids from 7 to 15 can go almost everyday to be with friends, have some fun and share in special activities. Neighborhood locations in the Detroit area are staffed by full-time professional youth workers and include game rooms, gymnasiums, libraries, woodworking shops, arts and crafts centers and outdoor play areas. Programs may include individual and team sports, music, photography, cooking classes, stamp clubs and homework supervision.

Boys and Girls Clubs have helped 7600 youngsters live a more productive life through their services. Mrs. Fauber has been associated with the Detroit Club for three years and she and Board Chairman B. M. Fauber are on the Board of Directors.

Mrs. Fauber, r, along with Mrs. Czamanske, l, and Mrs. Naas, present General Manager Harold House with a plaque from the Boys and Girls Club for all of his help in setting up the benefit and art tour.
